

THE COLORADO HORSE PARK RIDE AND LEARN PRESENTS...

KEVIN BABINGTON JUMPER CLINIC
SATURDAY, APRIL 22 AND SUNDAY APRIL 23, 2017

From Ireland to the United States, from the Olympics to private clinics, Kevin Babington is the quintessential professional. Throughout the past 30 years, the rider and trainer has methodically built a respected name for himself in his adopted homeland of Pennsylvania. Kevin is best known for his partnership with the jumper Carling King, a horse that took him to the 2004 Athens Olympics and carried him to over 30 top ten finishes in grand prix classes around the world. He continues to compete at the top levels of the sport, with numerous grand prix wins and placings with Mark Q and Shorapur. Presently, Kevin continues to make his mark on the international circuit. Currently he is campaigning his horse Mark Q, who has won numerous grand prix and placed in the HITS \$1 Million Grand Prix in the past 2 consecutive years. He is also fortunate to be working with a great group of extremely loyal and supportive clients and owners. Kevin's professional focus remains on his competition riding, sales business, and top-level jumper students. When he is not traveling to teach clinics or helping students at home and at shows he is spending time with his family.

I understand that the sport of Jumping is a high-risk sport and that my participation in this educational activity may also involve participation in an "equine activity" as defined by applicable laws and is wholly at my own risk. I understand that my participation involves all inherent risks associated with the dangers and conditions which are an integral part of equine activities, including but not limited to, the property of equines to behave in ways which may result in injury, harm of even death to humans and other animals around or near them; the unpredictability of equine reaction to sounds, sudden movements, smells, and unfamiliar objects; persons or other animals; hazards related to the surface and subsurface conditions; collisions with other equines or objects; and, the potential of a participant to act in a negligent or unskilled manner which may contribute to injury to the participants or others, including falling or inability to maintain control over the animal. By participating in this activity I agree to assume responsibility for those risks, and I release and agree to hold harmless, Colorado Equestrian Partners, LLC., its Partners, The Colorado Horse Park, its Board of Directors, event organizer, management, staff, trainers, boarders, and students or anyone associated with the facility, liable for any injuries to me or my horse.

Warning: Under Colorado Law, an equestrian professional is not liable for an injury to, or death of a participant in equine activities, pursuant to section 13-21-120 Colorado Revised statutes.
