Within 24 hours of the completion of the show week, the Show Office Secretaries will close out all exhibitor accounts, either by charging the full amount owing to the credit card on file, or filling the blank check. Thank you in advance for your help in keeping the stable area clean.

21) MEDICAL WASTE In accordance with the 1989 Federal Waste Tracking Act which restricts the disposal of medical waste: Bio Hazardous Medical Waste containers will be provided in the stable area. All exhibitors and their agents are responsible for the proper disposal of this waste.

Minors who have a valid temporary license may operate the above described motorized vehicles as long as they are accompanied by an adult with a valid driver's license. The parent(s), legal guardian(s), or individual who signs the entry blank as a parent or guardian of a minor operating a motorized vehicle in violation of this rule

are solely responsible for any damages, claims, losses or actions resulting from that operation. Violations of this rule will be cause for sanctions against the parent(s), guardian(s) and/or trainer(s) who are responsible for the child committing the offense. Penalties may include exclusion of the child, parent(s), guardian(s), and/or trainer(s) from the competition grounds for the remainder of the competition and charges being filed against any of the above individuals in accordance with Chapter 6. 28) MANAGEMENT The Horse Show Management reserves the right to itself to interpret all questions and conditions in regard to or rising out of or incident to the show without claims for damages or recourse of any kind. All questions not covered in these rules and regulations shall be decided by the Horse Show Management and their decision to be final. The Horse Show Management reserves to itself the right to limit entries in any class, change any course, cancel or combine any unfilled classes, or reschedule classes, after due notice to exhibitors; change rings or rotate judges; change specifications in jumper classes in order to facilitate the time schedule. Once sections are combined, they will not be un-combined unless there are 8 entries in each section on the morning of the first class.

29) ARENAS NAMES, AREAS AND DIMENSIONS The following arenas feature sand, fiber and geotextile footing known as International All Weather Footing surface: Brad and Kathy Coors Family Arena 200' x 320'. Coors Warm Up 140' x 200', Olson Family Arena 150' x 240' and Hunter Warm Up 150' x 220'. International Arena 200' x 400' and Rings 6/7 360' x 415'.

30) PROTECTIVE HEADGEAR (Excerpt from USEF Rule GR801) 1. It is the tradition of the competition ring that riders and drivers be correctly attired for the class in question, that attendants be neatly dressed and horses be properly presented. 2. It is compulsory for all persons at Federation licensed hunter, jumper or hunter/ jumper competitions when mounted anywhere on the competition grounds, to wear properly fastened protective headgear which meets or exceeds ASTM (American Society for Testing and Materials)/SEI (Safety Equipment Institute) standards for equestrian use and carries the SEI tag. It must be properly fitted with harness secured. It is compulsory for riders in Paso Fino classes, both open and breed

restricted including Hunter Hack, where jumping is required and when jumping anywhere on the competition grounds to wear properly fastened protective headgear which meets or exceeds ASTM (American Society for Testing and Materials)/SEI (Safety Equipment Institute) standards for equestrian use and carries the SEI tag. It must be properly fitted with harness secured. A Show Committee must bar riders without protective headgear from entering the ring for classes in which protective headgear is required and may bar any entry or person from entering the ring if not suitably presented to appear before an audience. 3. Except as may otherwise be mandated by local law, all sub-juniors riding in the Paso Fino division, while riding anywhere on the competition grounds, must wear properly fitting protective headgear which meets or exceeds ASTM (American Society for Testing and Materials)/SEI (Safety Equipment Institute) standards for equestrian use and carries the SEI tag. Harness must be secured and properly fitted. Any rider violating this rule at any time must immediately be prohibited from further riding until such headgear is properly in place. For all exhibitors competing in the hunter, jumper, or hunter seat equitation section, if a rider's chin strap becomes unfastened, the rider may stop, re-fasten the chin strap and continue his/her round without penalty or elimination. A judge may, but is not required to stop a rider and ask them to re-fasten a chin strap which has become unfastened, again without penalty to the rider. Members of the Armed Services or the Police may wear the Service Dress Uniform. 4. Any exhibitor may wear protective headgear (ASTM/SEI) and/or a protective vest either body protecting or inflatable, specifically designed for use in equestrian sport in any division or class without penalty from the judge. The Federation recommends that the vest pass or surpass the current ASTM standard F1937 or be certified by the Safety Equipment Institute. For Eventing, inflatable vests are permitted only when worn over a body protecting vest. 5. See DC117.6.3 for protective headgear requirement in Combined Driving. 6. See DR120 for protective headgear requirement in Dressage. 7. Except as may otherwise be mandated by local law, the Federation strongly encourage all riders, while riding anywhere on the competition grounds, to wear protective headgear with harness secured which passes or surpasses ASTM (American Society for Testing and Materials)/SEI (Safety Equipment Institute) standards for equestrian use and carries the SEI tag. (Exception hunter, jumper, or hunter/jumper competitions refer to GR801.2) It is the responsibility RULES continued of the rider, or the parent or guardian or trainer of the junior exhibitor to see to it that the headgear worn complies with appropriate safety standards for protective headgear intended for equestrian use, and is properly fitted and in good condition, and the Federation, Show Committee, and Licensed Officials are not responsible for checking headgear worn for such compliance. 8. The Federation makes no representation or warranty, express or implied, about any protective headgear, and cautions riders that death or serious injury may result despite wearing such headgear as all equestrian sports involve inherent dangerous risk and as no helmet can protect against all foreseeable injuries. 9. Boots/shoes worn while riding anywhere on the competition grounds must have a distinguishable heel. (Exception: Arabian, Hackney Pony, Morgan, National Show Horse, Parade, Roadster, American Saddlebred, and Saddle Seat Equitation). 10. Competitors must display the correct number which must be clearly visible while performing in any class unless otherwise stated in the prize list. Competitors may be penalized at the discretion of the judge. Numbers to be supplied by management in compliance with GR1213.11. Refer to DR121.11 (Dressage) and DR207.8 (Dressage Sport Horse Breeding). 11. . Refer to EQ109.1 and HU127.

31) GENERAL AND ANIMAL WELFARE POLICY FOR RIDER, TRAINER, OWNER, AND GROOM Upholding the welfare of the horses exhibited here is of primary concern The Colorado Horse Park. We require that all horses be treated with kindness, respect and compassion and never be subject to mistreatment. Owners, trainers, riders and grooms, or their agents, must use reasonable care in handling and treatment of their horses, whether owned or placed in their care for competition or for any other purpose. At all times while the horse is on the show grounds we will provide for the continuous well-being of the horse by vigorously enforcing the rules of the USEF which pertain to the welfare of the horse. Exhibitors are cautioned that GR302 (which defines the USEF's policy on abuse), GR806 (which pertains to Poling), and GR320 (which pertains to the Use of Whips), will be strictly enforced. Any handling and veterinary treatment should ensure the health and welfare of the horse. High standards of nutrition, health, sanitation and safety shall be encouraged and maintained at all times. Adequate provision will be made for ventilation, feeding and watering and maintaining a healthy environment. Any method of riding and training should take account of the horse as a living entity and must not include any technique considered to be abusive. The well-being of the horse must be considered above the demands of the breeders, trainers, riders, owners, dealers, organizers, sponsors or officials. Violators are subject, under the above rules, to elimination from competition and to protest or charge with resulting formal proceedings which may result in severe fines, suspensions or other penalties. To affirm the sport of show jumping to the general public in a positive, humane light and eliminate those training methods which may be misconstrued, we are maintaining the following policy in all areas of the horse show grounds, starting one half hour before the first scheduled class of the horse show and continuing until the last scheduled class of the horse show is completed.

32) POLING AND OFFSETS Manual poling and or the use of bamboo pole offsets are prohibited. Any rider or trainer found poling or using offsets, as well as the horse or pony involved, will be immediately eliminated from the class where the incident occurred, be suspended for a twenty-four hour period starting from the time of the incident and will forfeit all entry fees. In the case of further violations by that exhibitor, on the same horse or another horse, the exhibitor may be barred from any or all future classes at the show and all stabling, nomination and entry fees will be forfeited.

33) USE OF WHIPS AND SPURS Any rider, who in the opinion of the judges, stewards or schooling supervisors, uses their whips or spurs in a cruel or excessive manner will be immediately eliminated from the class in which the incident occurred, may be suspended from further showing for a twenty-four hour period starting from the time of the incident. In the case of further violations by that exhibitor, on the same horse or another horse, the exhibitor may be barred from any or all future classes at the show in which the violations occurred and all stabling fees, nomination fees and entry fees will be forfeited. All incidents will be reported in the Steward's and/or Technical Delegate's Report and reviewed by USEF's Executive Director for possible further investigation and charges for hearing before USEF's National Hearing Committee.

34) RETURNED CHECKS Checks returned by the bank for any reason are regarded as a most serious offense and will be handled according to the following procedure: All returned checks will be charged an additional 10% penalty (minimum \$50). Accounts will be given ten days to be

paid in full with cash or cash equivalent or they will be turned in to the USEF and District Attorney for further disciplinary action.

35) DOGS Dogs are not permitted to be loose on competition grounds and must be on a leash or otherwise contained. Individuals must not lead dogs on a leash while mounted. Dog owners failing to comply with this rule may be subject to penalty under Chapters 6 and 7, as well as issuance of warning cards. GR1301.6 Any dog that is found loose will be detained by the show until a fine is paid. Any dog that disrupts an exhibitor's round will be required to pay the exhibitor for that round plus a \$100 fine to the show. Also, please dispose of all dog waste in the proper containers.

36)TRAILER-INS There will be a \$75 trailer-in fee per week for all horses that trailer-in and do not require a stall. This is a one-time fee whether you show for two days or all five. Trailers may park only in designated day trailer parking. At no time may trailers be parked in the stable area, except for loading and unloading. You must check-in at the Horse Show Office before unloading. Your parking pass must be displayed at all times. No moving in before move-in date unless special arrangements have been made with CHP. STABLING All horses and ponies must have a stall. Please email stabling@coloradohorsepark.com for all your stabling needs. After reserving your stalls, you will be charged for all your no shows. Please call and confirm your stalls even though you are sending entries in. Stabling is limited to 1,000 horses. Stalls will be available at 7:00 A.M. on the preceding day of each horse show. Douglas County requires that all extension cords used on the premises will be a minimum of 14 gauge 3 conductor (with grounding terminal). Any extension cords not meeting this requirement will be subject to immediate removal and disposal without reimbursement or replacement.

37) FEED AND BEDDING Hay, grain and bedding are available in the Feed Office. The Colorado Horse Park is the feed/shavings concessionaire for the Summer Circuit. NO OUTSIDE BEDDING ALLOWED.
