Both technical and athletic, the new Hermès Cavale saddle was designed for top-level show jumping with the help of our partner rider, Simon Delestre. With its wide gullet, angled foam-injected panels, and its seamless medium-deep seat, Hermès Cavale combines balance, comfort for horse and rider, and close contact riding. It offers an innovative answer to the search for the perfect feel over fences.

A FEI Prize List will be released under separate cover once all of the draft schedules have been approved by FEI. You will be able to find individual schedules once they are approved at www.fei.org.

FEI RULES *NEW FOR 2016

- Exhibitors are responsible for having their respective Federations declare their horses for the FEI competition BEFORE the close of entries as listed in the FEI Draft Schedules for each week. For 2016, the athletes respective Federation weekly declaration ISTHE AUTOMATIC NOMINATION INTO THE #9999 JOG CLASS. The athlete must manually withdraw any horse they do not plan to show (incorrectly nominated by their Federation) before the #9999 jog order is posted to avoid paying the \$675 event fee.
- We ask that you <u>ONLY</u> declare the number of horses that are allowed in FEI each week, ie. Please don't have your Federation declare 6 horses if only 3 are allowed that week. You will be charged \$675 for no shows/late withdrawals after the order is posted, for every horse nominated in the Jog Class. This includes the additional horses still in the FEI system exceeding the number that can participate. Proper entries and withdrawals in the Jog Class before the posted order is the sole responsibility of the athlete. There will be <u>NO EXCEPTIONS</u> to this rule.
- The horse show office will determine the entries for each and every FEI week in the jog class based solely off of the Definite Entries submitted on the FEI Entry System for that week. We will allow substitutions made by Federations up until the time of the jog horse inspection. After that time there will be NO SUBSTITUTIONS.
- Declarations for individual Classes must be done in the Show Office each week on an Official Add/Drop Sheet. All Declarations must be made by 4PM the day before the class is held, unless otherwise specified.
- Declarations after that time MAY be accepted by Management only, and IF accepted will result in that horse going first in the competition in question draw.
- Please make sure to notify the stable office each week BEFORE the jog/stabling time to secure your stall location.
- Horses must be stabled in FEI area before the horse inspection begins of each week. Note there is a webcam and clock posted at the security gate for management and jury to insure compliance.
- FEI Horse Inspection will take place at Tuesday 1:00 pm of each week in the FEI area, unless otherwise specified. (Please note the AU25 and CSIO horse inspections are defined in the definite schedules for these weeks and vary)
- Both HORSE and RIDER MUST be CURRENT FEI members in order to jog present at the Horse Inspection.
- · Any changes to jog horse inspection will be posted in the FEI area, Horse Show Offices and Exhibitor Services.

Other FEI Important Information

- Photo ID FEI Credentials are REQUIRED for entrance to FEI Compound at all times.
- FEI Photos are taken in Exhibitor Services
- Credentials are signed out from the FEI Office in the FEI Compound

Wellington Equestrian Realty

On behalf of Equestrian Sport Productions, I would like to welcome you to the 2016 Winter Equestrian Festival.

This will be the 37th official year of the Winter Equestrian Festival (WEF), and each winter it brings the best and the brightest of equestrian sport to Palm Beach International Equestrian Center. Thanks to a wonderful partnership with Rolex and our supportive sponsors, this year's WEF will be our best yet.

We have over \$9 million dollars in prize money in 2016 with 52 FEI ranking classes for the entire circuit. We are also proud to offer four FEI CSI 5* shows throughout the circuit. These incredible offerings help North, Central, and South American riders gain the valuable FEI world ranking

points that they need to stay competitive on the world's stage. Riders from around the world will represent their countries in the FEI Nations Cup on Friday, March 4, part of a week of CSIO competition that also includes Nations Cups for Children, Juniors and Young Riders.

The Artisan Farms Under 25 Grand Prix Series, presented by the Dutta Corp., which features \$170,000 in prize money in seven different classes throughout WEF, will be run under FEI rules in 2016 (excepting the Team event), giving young riders even more experience at competing and managing their horses at an international level.

Along with top competition in the International Arena at the main grounds of PBIEC with our popular "Saturday Night Lights" series, more exciting classes will be held on the beautiful grass jumping field at The Stadium at the Palm Beach International Equestrian Center. Some of the events scheduled for this year include the \$216,000 Ariat® Grand Prix CSI 4* on Sunday, February 7; the \$25,000 Artisan Farms Under 25 Grand Prix Series class presented by EnTrust Capital, \$35,000 Suncast® 1.50m Championship Jumper Series class, and the \$50,000 Jumper Derby on Sunday, February 21; and the \$50,000 Artisan Farms Under 25 Grand Prix Series Final presented by Equiline and \$86,000 Suncast® 1.50m Championship Jumper Classic on Sunday, March 27.

North America's finest hunter competitors travel every year to Wellington for WEF and have some featured events on the 12-week schedule. The \$50,000 USHJA International Hunter Derby Finale will conclude the circuit on the derby field on Sunday, April 3. Hunters are also featured during week six in the USHJAWCHR Peter Wetherill Palm Beach Hunter Spectacular, which will be the highlight event in the International Arena on Saturday evening, February 20, during WCHR Week at WEF.

We are proud to host the Adequan® Global Dressage Festival as it returns for its fifth year as the richest dressage circuit in the world. The CDI 5* competition, sponsored by Diamante Farms, will run on February 11-14 and the Stillpoint Farm FEI Nations Cup CDIO, the only team competition for dressage in the Western Hemisphere, will be featured on March 30-April 2. We hope you'll join us at The Stadium on Friday nights for "Friday Night Stars" musical freestyles to witness great dressage competition.

As the major opening competition for show jumping in 2016, we will watch in anticipation to see who will prove themselves worthy of representing their country at this summer's Olympic Games in Rio de Janeiro, Brazil. We wish all of our competitors the best of luck in 2016.

Sincerely,

Michael Stone

OSPHOS contains clodronate disodium, a bisphosphonate indicated for the control of clinical signs associated with navicular syndrome in horses. OSPHOS is the only FDA-approved bisphosphonate for use in horses that is labeled for intramuscular injection. In a clinical trial evaluating OSPHOS in 86 horses, lameness improved in 74.7% of horses by at least one grade 56 days after treatment. Only 9% of horses displayed clinical signs of being uncomfortable, nervous, colicky and or pawing after receiving OSPHOS. Less than 1% of horses experienced colic requiring treatment.

As with all drugs, side effects may occur. In field studies, the most common side effects reported were signs of discomfort or nervousness, colic, and/or pawing. OSPHOS should not be used in pregnant or lactating mares, or mares intended for breeding. Use of OSPHOS in patients with conditions affecting renal function or mineral or electrolyte homeostasis is not recommended. Refer to the prescribing information for complete details or visit www.dechra-us.com.

CAUTION: Federal law restricts this drug to use by or on the order of licensed veterinarian.

OSPHOS® (clodronate injection)

Bisphosphonate For use in horses of

Brief Summary (For Full Prescribing Information, see package insert)

CAUTION: Federal (USA) law restricts this drug to use by or on the order of a licensed veterinarian.

DESCRIPTION: Clodronate disodium is a non-amino, chloro-containing bisphosphonate. Chemically, clodronate disodium is (dichlormethylene) diphosphonic acid disodium salt and is manufactured from the tetrahydrate form.

INDICATION: For the control of clinical signs associated with navicular syndrome in horses.

CONTRAINDICATIONS: Horses with hypersensitivity to clodronate disodium should not receive OSPHOS.

WARNINGS: Do not use in horses intended for human consumption.

HUMAN WARNINGS: Not for human use. Keep this and all drugs out of the reach of children. Consult a physician in case of accidental human exposure.

PRECAUTIONS: As a class, bisphosphonates may be associated with gastrointestinal and renal toxicity. Sensitivity to drug associated adverse reactions varies with the individual patient. Renal and gastrointestinal adverse reactions may be associated with plasma concentrations of the drug. Bisphosphonates are excreted by the kidney; therefore, conditions causing renal impairment may increase plasma bisphosphonate concentrations resulting in an increased risk for adverse reactions. Concurrent administration of other potentially nephrotoxic drugs should be approached with caution and renal function should be monitored. Use of bisphosphonates in patients with conditions or diseases affecting renal function is not recommended. Administration of bisphosphonates has been associated with abdominal pain (colic), discomfort, and agitation in horses. Clinical signs usually occur shortly after drug administration and may be associated with alterations in intestinal motility. In horses treated with OSPHOS these clinical signs usually began within 2 hours of treatment. Horses should be monitored for at least 2 hours following administration of OSPHOS.

Bisphosphonates affect plasma concentrations of some minerals and electrolytes such as calcium, magnesium and potassium, immediately post-treatment, with effects lasting up to several hours. Caution should be used when administering bisphosphonates to horses with conditions affecting mineral or electrolyte homeostasis (e.g. hyperkalemic periodic paralysis, hypocalcemia, etc.).

The safe use of OSPHOS has not been evaluated in horses less than 4 years of age. The effect of bisphosphonates on the skeleton of growing horses has not been studied; however, bisphosphonates inhibit osteoclast activity which impacts bone turnover and may affect bone growth.

Bisphosphonates should not be used in pregnant or lactating mares, or mares intended for breeding. The safe use of OSPHOS has not been evaluated in breeding horses or pregnant or lactating mares. Bisphosphonates are incorporated into the bone matrix, from where they are gradually released over periods of months to years. The extent of bisphosphonate incorporation into adult bone, and hence, the amount available for release back into the systemic circulation, is directly related to the total dose and duration of bisphosphonate use. Bisphosphonates have been shown to cause fetal developmental abnormalities in laboratory animals. The uptake of bisphosphonates into fetal bone may be greater than into maternal bone creating a possible risk for skeletal or other abnormalities in the fetus. Many drugs, including bisphosphonates, may be excreted in milk and may be absorbed by nursing animals.

Increased bone fragility has been observed in animals treated with bisphosphonates at high doses or for long periods of time. Bisphosphonates inhibit bone resorption and decrease bone turnover which may lead to an inability to repair micro damage within the bone. In humans, atypical femur fractures have been reported in patients on long term bisphosphonate therapy; however, a causal relationship has not been established.

ADVERSE REACTIONS: The most common adverse reactions reported in the field study were clinical signs of discomfort or nervousness, colic and/or pawing. Other signs reported were lip licking, yawning, head shaking, injection site swelling, and hives/pruritus.

STANDARD EQUINE HEALTH INFORMATION

It is recommended that all horses stabling on the PBIEC grounds arrive between 8:00 am and 5:00 PM. If it is necessary to arrive at any other time you must make arrangements with the show office prior to arrival. 561-793-5867.

ESP, LLC management strives to provide an excellent showing environment. An integral part of an excellent showing environment includes healthy horses. Exhibitors, especially those traveling long distances, can contribute to that healthy environment by following some basic recommendations listed below. Please monitor our web site at www.pbiec.coth. com for any additional and possibly mandatory requirements.

- 1) Must be dated by Veterinarian within 7 days of arriving at the Facility
 Must be available to show the Guard Gate upon entrance to the Facility at ALL times
- 2) A current negative coggins test. Please renew before it expires, and not just before it is necessary to leave the state. It is strongly recommended that all horses be vaccinated for Equine EHV-1 (either modified live or killed vaccine) no sooner than 7 days prior and no later than 180 days prior to entering the show grounds. Most EHV-1 vaccines are only considered effective for 180 days. Check with your veterinarian about which vaccine you use.
- 3) Statement of Health must be signed by a licensed veterinarian within 7 days of first arrival at PBIEC, documenting that the horse has:
 - a. Received regular and consistent vaccination against Equine Influenza and EHV 1 & 4 with most recent booster being within 180 days and not within 7 days. This will be in accordance with GR845
 - b. Not shown symptoms of or been treated for EHV-4/1 within the past 28 days.
 - Not been at a facility under quarantine for EHV-4/1 or exposed to any horses showing symptoms of EHV-4/1
 within the
 past 28 days
 - d. Once the horse leaves the facility you will be required to show a new Statement Of Health upon your return to the facility.
- 4) Current vaccination against WNV, EEE, WEE, Tetanus and Rabies is strongly recommended.
- 5) You should be able to document your horses normal temperature before arrival. Please do not ship horses with elevated temperatures.

It is recommended that you establish a log of temperatures taken at least twice daily. If there is an elevated temperature for more than a 24 hour period, please consult your local Veterinarian immediately.

- 6) Every effort should be made to minimize stress and commingling of horses shipped long distances. Extra hours on a horse van, or moving from stable to stable is the fastest way to compromise your horses' and your neighbors horses' health.
- 7) Any horse on the show grounds with a fever of unknown origin or of suspicious origin must be reported to ESP, LLC Management.

It is always better to err on the side safety. Isolation stalls will either be available on the grounds or at a local veterinary practice if the need arises.

8) Please take the time to review equine good hygiene practices and impress its importance to your groom in everyday care.

\$75,000 BATTLE OF THE SEXES EXHIBITION SATURDAY EVENING JANUARY 16, 2016

The Battle of Sexes is an exhibition competition between a team of 10 female riders and a team of 10 male riders competing at the 2016 WEF Circuit invited by management in its sole discretion. Riders may ride a horse of their choice in each phase or the same horse in one or more phases.

This is a three-phase competition made up as follows

Phase I Table C FEI art 239 Faults under Table C are penalized with 4 seconds added per knockdown, which are added to the time taken by the competitor to complete his round or by elimination.

All 10 riders from each team take part. The scoring is based on head to head competition between male and female riders with the winner of each head to head receiving 1 point for their team therefore the maximum points available for a team is 10.

Phase II GCC Relay Format The teams are made up of three riders. Each team will have three teams. The course will be made up of three consecutive courses, 6 obstacles per course at 1.20. It will be judged as one course of 18 obstacles under Table III faults converted with 2 seconds added for each knock down. Rider #1 goes through the start and completes fences 1-6. Rider #2 starts when rider ones horse lands after fence #6, Jumping fences 7-12. Rider #3 starts when rider ones horse lands after fence #12 Jumping fences 13-18 and crosses the final finish line. The team with the fastest time over the 18 fences will be the winner of the heat. 5 points are awarded for each team heat winner therefore the maximum points available for a team is 15.

GCC Relay Format Scoring Clarifications:

2 Seconds added for each rail.

4 seconds added total- For a refusal with knockdown.

5 seconds will be added in the event the next team member in sequence leaves the ground jumping fence #7 or #13 before the previous team members horses front two feet land from fence #6 or #12 respectively. The ground Judges at Fence #7 and fence #13 will signal a 5 second penalty by raising a red flag.

15 seconds will be added for any fall of a horse or rider. The clock will stop. A tone will be sounded when it is safe for the next team member to take over in the course where the previous team member fell.

Each team rider is permitted only two refusals. If rider #1 or rider #2 are eliminated for two refusals or a fall of horse or rider the next team member in sequence is responsible for taking over in the course where the previous team member left off. If rider #3 is eliminated, rider #1 is responsible for taking over in the course where the previous team member left off. The decision of the ground jury is final.

Phase III match Race FEI art 272 This competition involves a head to head match race between an individual male vs. female rider. The match race will occur over identical courses under FEI Table C art 239 with 3 seconds added per knockdown. All 10 riders from each team take part. Each winner gets three points for their team. Therefore, the maximum points available for a team is 30.

Draw Each team will choose its own Captain. The Captains list their 5 riders for Phase I. A flip of a coin will take place for which team goes first in phase I. Phase II The captains will decide their order list from 1 to 10. The five riders not involved with phase I will go at the top of the order in phase II. The leading team will go first in the Table C. After that the teams rotate i.e. if the Female team is drawn first then rider A from females goes first, followed by rider A from the males, next to go will be rider B from the males, followed by rider B from the females and so on. The Captains decide the line up for the Match Race. The leading team will have the first choice of the side in which they wish to start. After the first round, the teams will alternate sides.

In the event of a tie of the overall event the captains flip a coin to see who starts and they pick one rider each to continue head to head in one final heat. The riders will wear team jerseys provided by management.

Prize fund: \$50,000 Winning team, \$25,000 Losing team

Those teams that only have 3 riders will not have the benefit of a drop score. If a rider or riders cannot field a team the management may put together teams at their sole discretion. The teams are made up of 1 professional/ Grand Prix rider, two Junior/Amateur riders (The team can have two Amateurs, or two Juniors or 1 Amateur and 1 Junior)

The course will be made up of 3 consecutive courses, 7 obstacles at 1.10 followed by 7 obstacles at 1.20 followed by 7 obstacles at 1.30. It will be judged as one course of 21 obstacles under Table III faults converted with 2 seconds added for each knock down.

Rider one goes through the start and completes the 1.10 course the next rider starts when rider ones horse lands after the last fence the next rider goes around the 1.20 course and once they land after the last fence the professional goes around the 1.30 course and crosses the final finish line.

The team with the fastest time over the 21 fences will be the winner.

RIDERS ARE NOT TO START DURING THE INTITIAL 45 SECOND MUSIC SET.

At the conclusion of the music set, the tone will be immediately sounded and the countdown clock will start at 15 seconds. If the countdown clock reaches the end of the 15 seconds without a start, the timer will automatically begin. The professional must jump the 1:30 course but the team can decide who jumps the 1:10 and 1:20 courses.

CLASS SCORING CLARIFICATIONS:

- 2 Seconds added for each rail.
- 4 seconds added total- For a refusal with knockdown.
- 5 seconds will be added in the event the next team member in sequence leaves the ground jumping fence #8 or #14 before the previous team members horses front two feet land from fence #7 or #13 respectively. The ground Judges at Fence #7 and fence #13 will signal a 5 second penalty by raising a red flag.

15 seconds will be added for any fall of a horse or rider. The clock will stop. A tone will be sounded when it is safe for the next team member to take over in the course where the previous team member fell.

Each team rider is permitted only two refusals. If rider #1 or rider #2 are eliminated for two refusals or a fall of horse or rider the next team member in sequence is responsible for taking over in the course where the previous team member left off. If rider #3 is eliminated, rider #1 is responsible for taking over in the course where the previous team member left off.

GOOD LUCK TO ALL THE CHAMPION EQUINE INSURANCE CLIENTS & HORSES FOR A SUCCESSFUL 2016 WEF SEASON The Spectacular will count for HOTY points and money won (where applicable) in the section from which the horse qualified or in the case of a bye, in the section declared at the time of entry, for which the horse must be eligible and that corresponds to the height jumped in the Spectacular. The two-round stand-alone Hunter Classic point scale will be utilized when awarding National HOTY bonus points. See HU145.9(b).

In fairness to all potential entrants, declarations from Professionals to show in the WCHR Hunter Spectacular, whether utilizing a bye or qualifying from one of the following hunter sections: First Year Green, Second Year Green, Green Conformation, Regular Conformation, Performance Working Hunter 3'6" and High Performance Working Hunter, must be made with USHJA staff at the USHJA/WCHR tent and in the Horse Show office by noon on Friday February 17, 2016. Declarations from Juniors and Amateurs must be made within 1 hour of the conclusion of each rider's last eligible section. (i.e., Juniors after the final Junior Hunter Section and Amateurs after the final Amateur Owner Hunter Section) This will allow WCHR to extend timely invitations to the next eligible rider should someone decline to participate.

This class will be conducted under USEF General Rules and drug testing procedures. Horse-and-rider combinations will compete at the respective height of the section from which they qualified or in the case of invitees, at any one respective height for which they are eligible.

The class consists of two rounds, both of which will be judged by a minimum of three judging panels consisting of two judges each. The open numerical scoring system will be utilized with each panel's score announced and then averaged to determine a final average numerical score for each horse. The top twelve (12) horses will be called back for a second round from low to high score within their respective heights. The height section including the horse with the highest first round average score shall return last. The second round should include elements that allow horse and rider to demonstrate brilliance and rideability. Each round of the Spectacular is to count 50%. The final average score from Round One will be added to the final average score from Round Two to determine the overall total final score.

In case of a tie in either the first or second round: Panel One's score is the tie-breaker. In case of a tie in the overall standings: Panel One's second round score is the tie-breaker. There will be one course walk, for both rounds, before the start of the first round. There will be no further course walks. Formal attire is required.

Winner receives: Cooler, Dark Continent Perpetual Trophy, and Let's Dance Perpetual Trophy 1st-12th place – 30%, 22%, 13%, 8%, 6%, 5%, 4%, 3%, 3%, 2%, 2% and ribbons

The Mark Gregory Perpetual Trophy shall be awarded to the best conditioned horse in the first round of the WCHR Hunter Spectacular.

The Charlie Weaver Perpetual Award shall be awarded to the highest scoring conformation horse of the first round of the WCHR Hunter Spectacular.

THE NINTH ANNUAL GEORGE MORRIS EXCELLENCE IN EQUITATION EXHIBITION * NEW SPECS FOR 2016

The George Morris Excellence in Equitation Exhibition is a unique Equitation Finals. The term "equitation" is synonymous with "good riding" which is what this finals stands for. Riders will have the opportunity to show in The International Ring and be judged on their execution and style by several top horseman, some of which can be High Performance Riders.

QUALIFICATIONS:

Invitations are automatically extended to winners prior to March 25th of any 2016 ESP New Year, ESP Holiday Cicuit Finale, Winter Equestrian Festival USEF Hunt Seat Medal, ASPCA MaClay, USEF Talent Search or WIHS Overall, Hunter Phase or Jumper Phase equitation classes and the same classes at the Holiday and Horses Horse Show held November 25-29, 2015. Previous winners of the George Morris Excellence in Equitation Exhibition are no longer eligible to compete. This FINAL is open to Junior members only.

JUDGING:

The Judges panel will consist of 5 to 6 top horsemen designated by management. Each panel will submit a numerical score for Round 1 and Round 2 which will be added to the other panels score. One judge will judge the schooling area and penalize any rider with questionable practices from the time the horse enters the designated holding area and throughout the exhibition. Knowledge of USEF Jumper schooling rules EQ108.15 (see JP Appendix A) and good horsemanship may be rewarded. A negative 1 (-1), negative 2 (-2), zero (0), plus 1 (+1), or plus 2 (+2) may be added to the final round 1 and round 2 score. Round 3 will be scored but not announced.

PROCEDURES:

All horses must remain in the designated area under the supervision of the Schooling Judge and the paddock master. Riders will be responsible for the management, warm up, and schooling of their own horse with the assistance of one (1) groom. Trainers will NOT be allowed to enter the designated area or competition ring throughout the exhibition. Competitors will be immediately ELIMINATED for the use of a cell phone or any contact between trainer and rider. The course and schooling will be the sole responsibility of the rider. Class will be conducted under USEF Jumper Schooling Rules EQ108.15 (see JP Appendix A).

ORDER OF GO:

Order of go will be established based on the qualified riders ranking according to the Christy Conard Perpetual Standings as of the end of the day March 24, 2016. The order of go will be in reverse order.

TACK AND ATTIRE:

ROUND 1:

To be scored over fences. This course may include gymnastics, trot fences, oxers, verticles, and combinations. There will be no Liverpools, water jumps, or a time allowed. Fences will be maximum of 3'6" in height and width. Open numerical scores will be given by each panel of judges. The scores will be added for a round 1 score and then the schooling judge score will be awarded to make the final round 1 score.

ROUND 2:

The top 15 riders from round 1 will return for round 2 in reverse order from Round 1. In the event of a tie for the 15th rider, they will both qualify for round 2. This course will be a minimum of 8 jumps with a maximum height and width of 3'6" with one simple change of lead being incorporated in the course. The scores will be added for a round 2 score and then the schooling judge score will be awarded to make the final round 2 score. The total scores from both rounds will be added together to determine the top four (4) riders for Round 3.

ROUND 3:

The top four (4) riders after rounds 1 and 2 will return the same night. In the event of a tie for the 4th rider, the highest score from round 2 will be the tie breaker. GREEN PONY HUNTER

A green pony is a pony of any age not exceeding 14.2 hands that has not been shown over fences the regulation height or higher for its respective section (2'3" for small, 2'6" for medium and 2'9" for large) prior to December 1st of the current competition year at a Regular Competition of USEF or Equine Canada or any national or international competition. Showing in Canada over fences at or higher than the regulation height for the pony's section under Equine Canada rules breaks the pony's green status for the purpose of this Article and Federation rules whether or not the regulation height for the pony's section under Equine Canada rules is less than, equal to, or greater than the regulation height for the pony's section under Federation rules. Ponies who have not broken their Green Status must jump less than their regulation height in open classes or their Green Status will be broken. Once a pony has broken its green status in one Hunter Pony section (i.e., small, medium, large) it will not regain its green status by moving into another Hunter Pony section. If a competition starts prior to or on November 30, Green Pony status at the start of the competition is maintained throughout the competition. A pony's green status is considered to be broken once it competes over fences the regulation height or higher for its respective section (see above). The pony's green status may be reinstated for a future competition year if it was not shown at more than four (4) competitions prior to September 1st. (HU103.11)In classes over fences, ponies not exceeding 12.2 hands to jump 2'3", ponies over 12.2 hands but not exceeding 13.2 hand to jump 2'6", and ponies over 13.2 hands but not exceeding 14.2 hand to jump 2'9".
