## ESP RIDER BONUS FOR SPRING 1-3

The ESP Spring Rider Challenge will be awarded to the rider who earns the most points accumulated from the \$10,000 Open Stakes Class and each \$25,000 (Spring 1) or \$30,000 (Spring 2 and 3) USEF Ranked Grand Prix offered at Spring 1, 2, & 3.

In competitions where a rider may compete on more than one horse, the rider must declare which horse they wish to have scored prior to start of that competition. If the rider does not declare a point horse then whichever horse goes first in the order will automatically become their point horse for that competition.

Points are given to riders for each of the 6 Competitions and will be awarded on a formula based on the number of riders in each competition as follows: The winning rider will earn two more points than the second placed rider, the second placed rider will earn one more point than the third and so on. (i.e. 30 riders enter the class, the winner will receive 32 points, second place will receive 30 points, third place 29 points, etc). A rider failing to complete a course on their declared horse will receive 0 points for that competition.

The ESP Spring Rider Challenge awards will be presented upon the conclusion of the \$30,000 Grand Prix at Spring 3 on Sunday April 20th in the International Arena

1st will receive \$5000

2nd will receive \$3000

3rd will receive \$2000

Rider Bonus Money for Hunter Circuit Champions (SPRING 1-3)

ESP will also award money for OVERALL Circuit Champions and Reserve Champions

Please monitor our web site at [www.pbiec.coth.com](http://www.pbiec.coth.com) for any additional and possibly mandatory requirements.

- 1) Must be dated by Veterinarian within 7 days of arriving at the Facility  
Must be available to show the Guard Gate upon entrance to the Facility at ALL times
- 2) A current negative coggins test. Please renew before it expires, and not just before it is necessary to leave the state. It is strongly recommended that all horses be vaccinated for Equine EHV-1 (either modified live or killed vaccine) no sooner than 7 days prior and no later than 180 days prior to entering the show grounds. Most EHV-1 vaccines are only considered effective for 180 days. Check with your veterinarian about which vaccine you use.
- 3) Statement of Health must be signed by a licensed veterinarian within 7 days of first arrival at PBIEC, documenting that the horse has:
  - a. Received regular and consistent vaccination against Equine Influenza and EHV 1 & 4 with most recent booster being within 180 days and not within 7 days. This will be in accordance with GR845
  - b. Not shown symptoms of or been treated for EHV-4/1 within the past 28 days.
  - c. Not been at a facility under quarantine for EHV-4/1 or exposed to any horses showing symptoms of EHV-4/1 within the past 28 days
  - d. Once the horse leaves the facility you will be required to show a new Statement Of Health upon your return to the facility.
- 4) Current vaccination against WNV, EEE, WEE, Tetanus and Rabies is strongly recommended.
- 5) You should be able to document your horses normal temperature before arrival. Please do not ship horses with elevated temperatures. It is recommended that you establish a log of temperatures taken at least twice daily. If there is an elevated temperature for more than a 24 hour period, please consult your local Veterinarian immediately.
- 6) Every effort should be made to minimize stress and commingling of horses shipped long distances. Extra hours on a horse van, or moving from stable to stable is the fastest way to compromise your horses' and your neighbors horses' health.
- 7) Any horse on the show grounds with a fever of unknown origin or of suspicious origin must be reported to ESP, LLC Management. It is always better to err on the side safety. Isolation stalls will either be available on the grounds or at a local veterinary practice if the need arises.
- 8) Please take the time to review equine good hygiene practices and impress its importance to your groom in everyday care.
