Dear Mr. Burton,

Please be advised per your letter dated June 27, 2016, that a Presidential Modification in the application of GR115.1 has been approved. This Presidential Modification will allow Holiday and Horses, Competition ID# 269388 approved to be held 11/29/2016- 12/3/2016 to count towards the 2017 competition year, in regards to USEF points, money won, and awards. Should you choose to hold and have the dates of 11/29/2017-12/3/2017 also count for the 2017 Competition Year, you will be required to apply for a new Competition ID number.

This Presidential Modification is being granted for the 2016 competition year only (the year in which this competition was calendared to run), based on the special circumstances surrounding the request and taking into consideration that no mileage conflicts are generated with the approval of this request.

As a condition of this approval, you are required to provide notification to competitors in a prominent place on your competition website, in your competition prize list, in your competition office, and in all advertising for this competition that Holiday and Horse competition does not count for 2016 USEF points, money won, and awards and will count for 2017.

Please feel free to contact the Federation office if you need further assistance.

Sincerely,

A handwritten signature in cursive script that reads "Chrystine J. Tauber".

IMPORTANT EQUINE HEALTH INFORMATION

Equestrian Sport Productions has had vaccination protocol in place since 2013. We will now adhere to GR845 in which:

At Federation licensed competitions horses, more than 7 months of age, entering the grounds must be accompanied by documentation of Equine Influenza Virus and Equine Herpes Virus (Rhinopneumonitis) vaccinations within six months prior to entering the stables. Horses not in compliance with this rule may be required to leave the competition grounds upon request by Competition Management. Documentation should consist of one of the following methods mentioned below. The frequency of vaccine administration should be per the vaccine manufacturers' or veterinarian's recommendations. It is recommended that vaccines are administered by or under the direction of a veterinarian.

2. In the case of vaccines administered by a veterinarian, the exhibitor, upon request by Competition Management, must provide documentation from the veterinarian on documenting that the horse in question received the vaccinations; name of the vaccines and date of vaccine administration.

3. In the case of vaccines administered by a person other than a veterinarian, the exhibitor, upon request by Competition Management, must provide a receipt of the vaccine purchase which is signed by the owner, or agent with care, custody, and control of the horse; name, serial number and expiration date of the vaccine; and date of vaccine administration.

4. In the case of a horse that is unable to receive either of the vaccinations due to a history of adverse reactions, the exhibitor, upon request by Competition Management, must provide a letter from the veterinarian on official letterhead stating that the horse in question cannot be vaccinated due to medical concerns and a log of temperatures taken twice daily for the seven days prior to entering the competition grounds.

These horses must also have their temperature taken and logged twice daily while on the competition grounds.

The log of temperatures should be provided to the Competition Management, steward, or technical delegate when requested.

5. A current negative coggins test. Please renew before it expires, and not just before it is necessary to leave the state. It is strongly recommended that all horses be vaccinated for Equine EHV-1 (either modified live or killed vaccine) no sooner than 7 days prior and no later than 180 days prior to entering the show grounds. Most EHV-1 vaccines are only considered effective for 180 days. Check with your veterinarian about which vaccine you use.

6. Once the horse leaves the facility you may be required to show a new Statement Of Health upon your return to the facility. Current vaccination against WNV, EEE, WEE, Tetanus and Rabies is strongly recommended

7. You should be able to document your horses normal temperature before arrival. Please do not ship horses with elevated temperatures. It is recommended that you establish a log of temperatures taken at least twice daily. If there is an elevated temperature for more than a 24 hour period, please consult your local Veterinarian immediately.

8. Every effort should be made to minimize stress and commingling of horses shipped long distances. Extra hours on a horse van, or moving from stable to stable is the fastest way to compromise your horses' and your neighbors horses' health.

9. Any horse on the show grounds with a fever of unknown origin or of suspicious origin must be reported to ESP Management. It is always better to err on the side safety. Isolation stalls will either be available on the grounds or at a local veterinary practice if the need arises.

10. Please take the time to review equine good hygiene practices and impress its importance to your groom in everyday care.

QUALIFYING PROCEDURES:

The point standings in each zone from December 1 to 60 days prior to the start of the competition will be used to determine a horse/rider's qualification to compete in that zone's CH/AA Championships. A horse/rider is qualified to compete in a USHJA CH/AA Zone Championship if they have earned at least 20 points in their respective (Children's or Adult Amateur) section at USEF licensed competitions held with fence heights of 1.10m to 1.15m as of June 1.

Cross Entry:

Rider:

An eligible rider is one who has not competed in a class held at a height over 1.20m within the current competition year up through the championship. In addition, an eligible rider must be a current active USEF and USHJA member in good standing (see GR202.1 & JP100.1). The burden of proof of eligibility to compete will rest with and be the sole responsibility of the owner or rider, and not of the USHJA. USHJA staff is not available to determine each horse's or rider's eligibility.

Horse/Pony

No horse competing in a championship may compete in any other class during the same horse show where the championship is hosted.

THE FEI CODE OF CONDUCT

FOR THE WELFARE OF THE HORSE

The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.

1. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.
2. Horses and competitors must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
3. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
4. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.
5. The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.

A full copy of this Code can be obtained from the Fédération Equestre Internationale, Avenue Mon-Repos 24, 1005 Lausanne, Switzerland. Telephone: +41 21 310 47 47. The Code is available in English & French. The Code is also available on the FEI's website: www.horsesport.org.
