An FEI Prize List will be released under separate cover once all of the draft schedules have been approved by FEI. You will be able to find individual schedules once they are approved at www.fei.org.

FEI RULES IMPORTANT INFORMATION •

• Exhibitors are responsible for having their respective Federations declare their horses for the FEI competition BEFORE the close of entries as listed in the FEI Draft Schedules for each week. For 2019, the athletes respective Federation weekly declaration IS THE AUTOMATIC NOMINATION INTO THE #9999 JOG CLASS. The athlete must manually withdraw any horse they do not plan to show (incorrectly nominated by their Federation) before the #9999 jog order is posted to avoid paying the \$675 event fee.

- We ask that you ONLY declare the number of horses that are allowed in FEI each week; ie., please don't have your Federation declare 6 horses if only 3 are allowed that week. You will be charged \$675 for no shows/late withdrawals after the jog order is posted, for every horse nominated in the Jog Class. This includes the additional horses still in the FEI system exceeding the number that can participate. Proper entries and withdrawals in the Jog Class before the posted order is the sole responsibility of the athlete. There will be NO EXCEPTIONS to this rule.
- The horse show office will determine the entries for each and every FEI week in the jog class based solely off of the Definite Entries submitted on the FEI Entry System for that week. We will allow substitutions made by Federations up until the time of the jog horse inspection. After that time there will be NO SUBSTITUTIONS.
- Declarations for individual Classes must be done in the Show Office each week on an Official Add/Drop Sheet. All Declarations must be made by 4 p.m. the day before the class is held, unless otherwise specified.
- Declarations after that time MAY be accepted by Management only, and IF accepted will result in that horse going first in the competition in question draw.

- Please make sure to notify the stable office each week BEFORE the jog/stabling time to secure your stall location.
- Horses must be stabled in FEI area before the horse inspection begins of each week. Note there is a webcam and clock posted at the security gate for management and jury to insure compliance.
- FEI Horse Inspection will take place at Tuesday 1:00 pm of each week in the FEI area, unless otherwise specified. (Please note the U25 and CSIO horse inspections are defined in the definite schedules for these weeks and vary)
- Both HORSE and RIDER MUST be CURRENT FEI members in order to jog present at the Horse Inspection.
- Any changes to jog horse inspection will be posted in the FEI area, Horse Show Offices and Exhibitor Services.

Other FEI Important Information:

- Photo ID FEI Credentials are REQUIRED for entrance to FEI Compound at all times.
- FEI Photos are taken in Exhibitor Services
- Credentials are signed out from the FEI Office in the FEI Compound
- Five passes will be issued per horse
- Rider
- Trainer
- Groom
- 2 Owner (Must be the owner of record in the Passport)
- Horses living in FEI Stabling, whether they are competing or not must obey ALL FEI RULES. No Exceptions.
- If you are not competing in FEI that week, we suggest you have a stall elsewhere.

Miami Horse Quarantine Partial Closure Imposing Extra Costs, Horse Travel Time for Wellington Winter Dressage, Jumping, Polo Circuits

WELLINGTON, Florida, Nov. 19, 2018-A renovation project has closed parts of Miami International Airport's quarantine center forcing rerouting of hundreds of horses from around the world to import centers in Chicago and New York requiring expensive and lengthy land transport to their destination in Wellington.

A CaptiveOne insurance would have protected you...

... by reimbursing additional trailering charges, unplanned travel expenses, show costs for days you missed but still were responsible to pay, even day fees you would have earned if the horse had been in training not in unplanned transit.

A bodyguard for your business.

The 2019 Junior Sportsmanship Trophy will be awarded at the end of the Winter Circuit to the junior rider that consistently demonstrates outstanding conduct, horsemanship, attitude, and courtesy appropriate for a competitor at the highest levels of our sport. The Trophy honors the memory of Cara Anthony's mother, Candida "Candy" Forstmann, who believed it is important to encourage and publicly recognize good sportsmanship in the young riders that may one day be selected to represent our country.

Each week a variety of observers, including the Trophy's sponsors, event staff, show management, officials, trainers and other competitors, will provide insight and input into the selection process. "Artfully Uniting Extraordinary Lives With Extraordinary Properties"

STANDARD EQUINE HEALTH INFORMATION

EQUESTRIAN SPORT PRODUCTIONS HAS HAD VACCINATION PROTOCOL IN PLACE SINCE 2013. WE WILL NOW ADHERE TO GR845 IN WHICH:

At Federation licensed competitions horses, more than 7 months of age, entering the grounds must be accompanied by documentation of Equine Influenza Virus and Equine Herpes Virus (Rhinopneumonitis) vaccinations within six months (180 days) prior to entering the stables. Horses not in compliance with this rule may be required to leave the competition arounds upon request by Competition Management. Documentation should consist of one of the following methods mentioned below. The frequency of vaccine administration should be per the vaccine manufacturers' or veterinarian's recommendations. It is recommended that vaccines are administered by or under the direction of a veterinarian.

2. In the case of vaccines administered by a veterinarian, the exhibitor, upon request by Competition Management, must provide documentation from the veterinarian on documenting that the horse in guestion received the vaccinations; name of the vaccines and date of vaccine administration.

3. In the case of vaccines administered by a person other than a veterinarian, the exhibitor, upon request by Competition Management, must provide a receipt of the vaccine purchase which is signed by the owner, or agent with care, custody, and control of the horse; name, serial number and expiration date of the vaccine; and date of vaccine administration.

4. In the case of a horse that is unable to receive either of the vaccinations due to a history of adverse reactions, the exhibitor, upon request by Competition Management, must provide a letter from the veterinarian on official letterhead stating that the horse in question cannot be vaccinated due to medical concerns and a log of temperatures taken twice daily for the seven days prior to entering the competition grounds.

These horses must also have their temperature taken and logged twice daily while on the competition grounds.

The log of temperatures should be provided to the Competition Management, steward, or technical delegate when requested.

5. A current negative coggins test. Please renew before it expires, and not just before it is necessary to leave the state. It is strongly recommended that all horses be vaccinated for Equine EHV-1 (either modified live or killed vaccine) no sooner than 7 days prior and no later than 180 days prior to entering the show grounds. Most EHV-1 vaccines are only considered effective for 180 days. Check with your veterinarian about which vaccine you use.

6. Once the horse leaves the facility you may be required to show a new Statement Of Health upon your return to the facility. Current vaccination against WNV, EEE, WEE, Tetanus and Rabies is strongly recommended

7. You should be able to document your horses normal temperature before arrival. Please do not ship horses with elevated temperatures. It is recommended that you establish a log of temperatures taken at least twice daily. If there is an elevated temperature for more than a 24 hour period, please consult your local Veterinarian immediately.

8. Every effort should be made to minimize stress and commingling of horses shipped long distances. Extra hours on a horse van, or moving from stable to stable is the fastest way to compromise your horses' and your neighbors horses' health.

9. Any horse on the show grounds with a fever of unknown origin or of suspicious origin must be reported to ESP Management. It is always better to err on the side safety. Isolation stalls will either be available on the grounds or at a local veterinary practice if the need arises.

10. Please take the time to review equine good hygiene practices and impress its importance to your groom in everyday care.

You will need to present coggins and Flu/Rhino vaccine information before you can pick up back numbers.

WEF 1/WELLINGTON REGIONAL MEDICAL CENTER

Class 100 & 101 held at this competition are eligible for inclusion on the USEF Computer List. Certification No. 18081

\$75,000 BATTLE OF THE SEXES EXHIBITION Saturday Evening, January 12, 2019 SPONSORED BY WELLINGTON REGIONAL MEDICAL CENTER

The Battle of Sexes is an exhibition competition between a team of 10 female riders and a team of 10 male riders competing at the 2019 WEF Circuit invited by management in its sole discretion. Riders may ride a horse of their choice in each phase or the same horse in one or more phases. This is a three-phase competition made up as follows

Phase I Table C FEI art 239

Faults under Table C are penalized with 4 seconds added per knockdown, which are added to the time taken by the competitor to complete his round or by elimination.

All 10 riders from each team take part. The scoring is based on head to head competition between male and female riders with the winner of each head to head receiving 1 point for their team therefore the maximum points available for a team is 10.

Phase II GCC Relay Format

The teams are made up of three riders. Each team will have three teams. The course will be made up of three consecutive courses, 6 obstacles per course at 1.20. It will be judged as one course of 18 obstacles under Table III faults converted with 2 seconds added for each knock down. Rider #1 goes through the start and completes fences 1-6. Rider #2 starts when rider ones horse lands after fence #6, Jumping fences 7-12. Rider #3 starts when rider ones horse lands after fence #12 Jumping fences 13-18 and crosses the final finish line. The team with the fastest time over the 18 fences will be the winner of the heat. 5 points are awarded for each team heat winner therefore the maximum points available for a team is 15.

GCC Relay Format Scoring Clarifications:

2 Seconds added for each rail

4 seconds added total – for a refusal with knockdown. 5 seconds will be added in the event the next team member in sequence leaves the ground jumping fence #7 or #13 before the previous team members horses front two feet land from fence #6 or #12 respectively. The ground Judges at Fence #7 and fence #13 will signal a 5 second penalty by raising a red flag.

Fifteen seconds will be added for any fall of a horse or rider. The clock will stop. A tone will be sounded when it is safe for the next team member to take over in the course where the previous team member fell.

Each team rider is permitted only two refusals. If rider #1 or rider #2 are eliminated for two refusals or a fall of horse or rider the next team member in sequence is responsible for taking over in the course where the previous team member left off. If rider #3 is eliminated, rider #1 is responsible for taking over in the course where the previous team member left off. The decision of the ground jury is final.

Phase III Match Race FEI art 272

This competition involves a head to head match race between an individual male vs. female rider. The match race will occur over identical courses under FEI Table C art 239 with 3 seconds added per knockdown. All 10 riders from each team take part. Each winner gets three points for their team. Therefore, the maximum points available for a team is 30.

Draw: Each team will choose its own Captain. The Captains list their 5 riders for Phase I. A flip of a coin will take place for which team goes first in phase I. Phase II The captains will decide their order list from 1 to 10. The five riders not involved with phase I will go at the top of the order in phase II. The leading team will go first in the Table C. After that the teams rotate i.e. if the Female team is drawn first then rider A from females goes first, followed by rider A from the males, next to go will be rider B from the males, followed by rider B from the females and so on. The Captains decide the line up for the Match Race. The leading team will have the first choice of the side in which they wish to start. After the first round, the teams will alternate sides. In the event of a tie of the overall event the captains flip a coin to see who starts and they pick one rider each to continue head to head in one final heat. The riders will wear team jerseys provided by management.

PRIZE FUND:

\$50,000 Winning team, \$25,000 Reserve team

Startwith it. Staywith it.

For thirty years, Dr. Marvin Beeman, a founder of Littleton Equine Medical Center, has counted on Adequan[®] i.m. (polysulfated glycosaminoglycan) for his patients. He even uses it on his own horse, Foxy, his beloved third-generation homebred mare. Adequan[®] has helped keep Foxy perfoming into her teens—so together, they're still galloping strong.

Only Adequan[®] may help improve joint function by:1,2 **REVERSING** the disease cycle **REPAIRING** cartilage **RESTORING** joint lubrication and **REDUCING** inflammation to help keep joints moving and horses performing.

When you and your veterinarian start with Adequan[®] i.m. and stay with it, your horse may enjoy greater mobility over a lifetime.^{3,4}

THE 10TH ANNUAL GREAT CHARITY CHALLENGE PRESENTED BY FIDELITY INVESTMENTS®

The teams are made up of 1 professional/ Grand Prix rider, two Junior/ Amateur riders (The team can have two Amateurs, or two Juniors or 1 Amateur and 1 Junior)

The course will be made up of 3 consecutive courses, 7 obstacles at 1.10 followed by 7 obstacles at 1.20 followed by 7 obstacles at 1.30. It will be judged as one course of 21 obstacles under Table III faults converted with 2 seconds added for each knock down.

Rider one goes through the start and completes the 1.10 course the next rider starts when rider ones horse lands after the last fence the next rider goes around the 1.20 course and once they land after the last fence the professional goes around the 1.30 course and crosses the final finish line.

The team with the fastest time over the 21 fences will be the winner.

The band will play a 45 second intro while the riders become acclimated with the ring and set in their ready positions.

Please note that we need all teams to enter at the instruction of staff and exit promptly after the completion of their round. We are holding the next team up from entering the ring until all horses have cleared the ring chute. After leaving the chute please go left.

COSTUME GUIDELINES: Please note that Management reserves the right to ask riders to remove any part of their costumes which are considered unsafe while competing (examples include capes, anything that obstructs vision or scares horses, etc). We highly encourage team sprit and fun, but safety needs to be paramount. All costume judging to take place during the event pre-party, from 5 to 6 PM in Special Events.

RIDERS ARE NOT TO START DURING THE INITIAL 45 SECOND MUSIC SET

At the conclusion of the music set, the tone will be immediately sounded and the countdown clock will start at 15 seconds. If the countdown clock reaches the end of the 15 seconds without a start, the timer will automatically begin. The professional must jump the 1.30 course but the team can decide who jumps the 1.10 and 1.20 courses.

CLASS SCORING CLARIFICATIONS:

2 Seconds added for each rail.

4 seconds added total for a refusal with knockdown. 5 seconds will be added in the event the next team member in sequence leaves the ground jumping fence #8 or #15 before the previous team member's horse's front two feet land from fence# 7 or #14 respectively. The ground Judges at Fence #7 and fence #14 will signal the landing of the fence by raising a red flag.

20 seconds will be added for any fall of a horse or rider. The clock will stop. A tone will be sounded when it is safe for the next team member to take over in the course where the previous team member fell.

15 seconds will be added for any fall of a horse or rider. The clock will stop. A tone will be sounded when it is safe for the next team member to take over in the course where the previous team member fell.

Each team rider is permitted only two refusals. The 1.10 or the 1.20 team rider is eliminated for two refusals and or fall of horse or rider: If this takes place, it is the next team member in sequence that is responsible for taking over in the course where the previous team member left off. If the professional is eliminated for two refusals or fall, unfortunately the team will not receive a score.

The decision of the ground jury is final.

WORLD CHAMPIONSHIP HUNTER RIDER SPECTACULAR CLASSICS

February 12-17, 2019

The Hunter Classics listed in this section will only be held during the WCHR Spectacular week. The long-standing tradition of the WCHR Program to self-fund events continues, as each horse competing in any WCHR Professional, Junior, or Amateur Owner Hunter Section, 3'6" or higher, will pay a \$100 nomination fee per section. One hundred percent of the nomination fees, in addition to a contribution from the USHJA WCHR Program, will create the purse for 1st through 12th place in the USHJA WCHR Hunter Spectacular of Palm Beach.

Leading Hunter Rider Award: A plaque will be awarded to the rider who achieves the single highest numerical score in any one class within any WCHR hunter section during WCHR Spectacular week. *

High Score Awards: A jacket will be awarded to the riders who achieve the single highest numerical score in any one class, within

their respective hunter section, in each of the nine WCHR categories: Professional, Developing Professional, Amateur Owner 3'6", Amateur Owner 3'3", Adult Amateur, Junior 3'6", Junior 3'3", Children's and Pony.*

*Should a tie occur between two or more riders for high score within a category or for the Leading Hunter Rider, duplicate awards will be mailed. Riders must be 2019 WCHR members to be eligible for a high score award and are only eligible for an award in their declared category.

The courses for all classics will consist of a minimum of ten obstacles of at least six different types.

All riders must be current WCHR members to compete in any of the following hunter classics:

*See additional membership requirements below for class #199

199 \$100,000 WCHR PETER WETHERILL PALM BEACH HUNTER SPECTACULAR

No entry fee

Open to Professionals, Amateurs, and Juniors who are current members in good standing of the USEF, USHJA and WCHR. Trainers must also be current members in good standing of USEF, USHJA and WCHR. Riders may qualify a maximum of two (2) horses for this class.

Invitations will be extended to:

1. The winning rider of the 2018 WCHR Palm Beach Hunter Spectacular. Invitee may ride the horse of their choice* but must designate the height at which the horse-and-rider combination is eligible and will compete.

*Amateur Owner riders must compete on a horse that either they or a member of their family owns per HU107.

2. The winning rider of the 2018 WCHR West Coast Hunter Spectacular. Invitee may ride the horse of their choice* but must designate the height at which the horse-and-rider combination is eligible and will compete.

*Amateur Owner riders must compete on a horse that either they or a member of their family owns per HU107.

3. The 2018 WCHR Junior and Amateur Owner 3'6" National Champions. Invitees may ride the horse of their choice* but must designate the height at which the horse-and-rider combination is eligible and will compete.

*Amateur Owner riders must compete on a horse that either they or a member of their family owns per HU107

4. The winning rider of the WCHR Professional Challenge AND the WCHR Professional Finals at the 2018 Capital Challenge Horse Show, and the 2018 WCHR Professional National Champion. Invitees may ride the horse of their choice but must designate the height at which the horse-and-rider combination is eligible and will compete.

5. The 2018 WCHR Developing Professional National Champion AND the winner of the Developing Professional Challenge at the 2018 Capital Challenge Horse Show. Invitees may ride the horse of their

choice but must designate the height at which the horse-and-rider combination is eligible and will compete.

6. The Champion & Reserve Champion horse-and-rider combinations of the WCHR hunter sections 3'6" or higher during the 2019 WCHR Spectacular week. If the Champion or Reserve Champion horseand-rider combination from any section declines to participate then WCHR may choose to invite the 3rd and 4th place horse-and-rider combinations of that same section to compete. To be eligible to compete, a horse must have finished the section as one of the top four point earning horses over fences.

A horse must be ridden by the same rider throughout the entire hunter section (exception: under saddle classes) to be eligible to compete in the 2019 WCHR Hunter Spectacular of Palm Beach. Qualifying to compete in the WCHR Hunter Spectacular is based on the horse-andrider combination; no horse or rider substitutions allowed.

Those riders who pre-qualify for the WCHR Hunter Spectacular through a bye (see #1-5 above) must utilize that bye through entering a horse of their choice (see rules in #1-5 above) and then may qualify one additional horse out of the eligible hunter sections. When a rider with one bye qualifies two horses out of the eligible hunter sections the horse with fewer points in their hunter section must be used for the bye. In the case that a rider pre-qualifies with two byes he must utilize both of those byes. In the event that a rider has two byes, he may not qualify any additional horse out of the eligible hunter sections.

When qualifying from more than one section, the qualifying horseand-rider combination will compete in the Spectacular from the section from which they have the highest number of points on the championship chart. In the case of an equal amount of points in more than one (1) section, the horse-and-rider combination will compete in the Spectacular from the section from which they first qualified.

199 \$100,000 WCHR PETER WETHERILL PALM BEACH HUNTER SPECTACULAR

(CONTINUED)

The Spectacular will count for HOTY points and money won (where applicable) in the section from which the horse qualified or in the case of a bye, in the section declared at the time of entry, for which the horse must be eligible and that corresponds to the height jumped in the Spectacular. The two-round stand- alone Hunter Classic point scale will be utilized when awarding National HOTY bonus points. See HU146.9(b).

In the case of a bye, HOTY points and money won will only be awarded towards a declared Hunter section for HOTY points if the horse competes in the declared section a minimum of five (5) times during the competition year.

In fairness to all potential entrants, declarations from Professionals to show in the WCHR Hunter Spectacular, whether utilizing a bye or qualifying from one of the following hunter sections: Green 3'6", Green 3'9", Green Conformation, Regular Conformation, Performance Working Hunter 3'6" and High Performance Working Hunter, Young Hunter 3'6" must be made with USHJA staff at the USHJA/WCHR tent and in the Horse Show office by noon on Friday February 15, 2019. Declarations from Juniors and Amateurs must be made within 1 hour of the conclusion of each rider's last eligible section. (i.e., Juniors after the final Junior Hunter Section and Amateurs after the final Amateur Owner Hunter Section) This will allow WCHR to extend timely invitations to the next eligible rider should someone decline to participate.

This class will be conducted under USEF General Rules and drug testing procedures. Horse-and-rider combinations will compete at the respective height of the section from which they qualified or in the case of invitees, at any one respective height for which they are eligible.

The class consists of two classic rounds with the second round including elements that allow the horse and rider to demonstrate brilliance, rideability and handiness, no trot fences will be permitted. Both of rounds will be judged by a minimum of three judging panels consisting of two judges each. The open numerical scoring system will be utilized with each panel's score announced and then averaged to determine a final average numerical score for each horse. The top twelve (12) horses will be called back for a second round from

low to high score within their respective heights. The height section including the horse with the highest first round average score shall return last. Each round of the Spectacular is to count 50%. The final average score from Round One will be added to the final average score from Round Two to determine the overall total final score.

In case of a tie in either the first or second round: Panel One's score is the tie-breaker. In case of a tie in the overall standings: Panel One's second round score is the tie-breaker.

There will be one course walk, for both rounds, before the start of the first round. There will be no further course walks. All horses entered in the class must jog for soundness before the start of the class to be eligible to compete. The designated jog area, time and order will be determined by management and conducted prior to the course walk. Once the Jog order is posted, no further substitutions may made. All horses must be presented at the Official Jog with their actual competition number and wearing a conventional hunter bridle and noseband. Proper attire is required (riding clothes or proper attire than an exhibitor would wear to compete in a model class.) The jog will be officiated by a minimum of one large R license judge and one large R licensed steward. Show management may reserve the right to deviate from the appointed jog time if deemed necessary.

A Riders Meeting will be held prior to the start of the class to answer any guestions regarding the course and class specifications. The meeting will be conducted by a USHJA /WCHR Representative assisted by management, a large R licensed Steward, one officiating Judge and the Course Designer.

Formal attire is required.

GREEN PONY HUNTER

A green pony is a pony of any age not exceeding 14.2 hands that has not been shown over fences the regulation height or higher for its respective section (2'3" for small, 2'6" for medium and 2'9" for large) prior to December 1st of the current competition year at a Regular Competition of USEF or Equine Canada or any national or international competition. Showing in Canada over fences at or higher than the regulation height for the pony's section under Equine Canada rules breaks the pony's green status for the purpose of this Article and Federation rules whether or not the regulation height for the pony's section under Equine Canada rules breaks the pony's green status for the purpose of this Article and Federation height for the pony's section under Federation rules. Ponies who have not broken their Green Status must jump less than their regulation height in open classes or their Green Status will be broken. Once a pony has broken its green status in one Hunter Pony section (i.e., small, medium, large) it will not regain its green status by moving into another Hunter Pony section. If a competition starts prior to or on November 30, Green Pony status at the start of the competition is maintained throughout the competition. A pony's green status may be reinstated for a future competition year if it was not shown at more than four (4) competitions prior to September 1st. (HU138.7)In classes over fences, ponies not exceeding 12.2 hands to jump 2'3", ponies over 12.2 hands but not exceeding 13.2 hand to jump 2'6", and ponies over 13.2 hands but not exceeding 14.2 hand to jump 2'9".
