

THE COLORADO HORSE PARK

Ride & Learn Series Presents...

Brian Sabo Eventing Clinic

Saturday July 28 and Sunday July 29, 2018

Brian Sabo is a past President of United States Eventing Association. He first competed in the sport of Eventing in 1962, since then Brian has been a big part of Eventing and the equestrian world, from being a leading rider to designing and building the 1984 Los Angeles Olympic Eventing show jumping course, as well as coaching Vaulting and Eventing Young Riders programs. He is a highly respected trainer, and a faculty member of the USEA Instructors Certification Program. Brian worked with Gina Miles and “McKinlaigh”, who won the individual Silver Medal in the 2008 Olympics. Brian and his wife, Lisa, launched eventtrainingonline.com, which is an exceptional educational tool that will deepen your knowledge help build your skills and increase your enjoyment and of the sport of Eventing. Brian and Lisa also run the Newport Riding Center in Orange County, California.

Saturday Brian will be working with the horse and rider as a team with dressage warm-up leading to stadium jumping. Core issues will be discussed, and exercises will be given to work through challenges the rider is having with the horse using repetition, observation, and explanation. Then moving on to stadium jumping, Brian will demonstrate how important flat work is to show jumping and why. Sunday will be Cross Country jumping. The goal is to leave riders knowing how to improve themselves and their horses and know why it works so they have the tools needed to assess progress and move forward.

I understand that the sport of showjumping is a high-risk sport and that my participation in this educational activity may also involve participation in an "equine activity" as defined by applicable laws and is wholly at my own risk. I understand that my participation involves all inherent risks associated with the dangers and conditions which are an integral part of equine activities, including, but not limited to, the property of equines to behave in ways which may result in injury, harm of, or even death to humans and other animals around or near them; the unpredictability of equine reaction to sounds, sudden movement, smells and unfamiliar objects; persons or other animals; hazards related to the surface and surface conditions; collisions with other equines or objects; and the potential of a participant to act in a negligent or unskilled manner which may contribute to injury to the participants or others, including falling or inability to maintain control over the animal. By participating in this activity, I agree to assume responsibility for those risks, and I release and agree to hold harmless, Colorado Equestrian Partners, LLC., its Partners, The Colorado Horse Park, its Board of directors, event organizer, management, staff, trainers, borders, and students or anyone associated with the facility, liable for any injuries to me or my horse.

Warning: Under Colorado Law, an equestrian professional is not liable for an injury to, or death of a participant in equine activities, pursuant to section 13-21-130 Colorado Revised statutes.
