ESP RIDER BONUS FOR SPRING I-III

The ESP Spring Rider Challenge will be awarded to the rider who earns the most points accumulated from the \$10,000 Open Stakes Class and each USEF Ranked Grand Prix offered at Spring I, II, & III.

In competitions where a rider may compete on more than one horse, the rider must declare which horse they wish to have scored prior to start of that competition. If the rider does not declare a point horse then whichever horse goes first in the order will automatically become their point horse for that competition.

Points are given to riders for each of the 9 Competitions and will be awarded on a formula based on the number of

riders in each competition as follows: The winning rider will earn two more points than the second placed rider, the second placed rider will earn one more point than the third and so on. (i.e. 30 riders enter the class, the winner will receive 32 points, second place will receive 30 points, third place 29 points, etc). A rider failing to complete a course on their declared horse will receive 0 points for that competition.

The ESP Spring Rider Challenge awards will be presented upon the conclusion of the \$40,000 Grand Prix at Spring III on Sunday, April 23 in the International Arena

1st will receive \$5000

2nd will receive \$3000

IMPORTANT EQUINE HEALTH INFORMATION

Equestrian Sport Productions has had vaccination protocol in place since 2013. We will now adhere to GR845 in which:

1. At Federation licensed competitions horses, more than 7 months of age, entering the grounds must be accompanied by documentation of Equine Influenza Virus and Equine Herpes Virus (Rhinopneumonitis) vaccinations within six months prior to entering the stables. Horses not in compliance with this rule may be required to leave the competition grounds upon request by Competition Management. Documentation should consist of one of the following methods mentioned below. The frequency of vaccine administration should be per the vaccine manufacturers' or veterinarian's recommendations. It is recommended that vaccines are administered by or under the direction of a veterinarian.

2. In the case of vaccines administered by a veterinarian, the exhibitor, upon request by Competition Management, must provide documentation from the veterinarian on documenting that the horse in question received the vaccinations; name of the vaccines and date of vaccine administration.

3. In the case of vaccines administered by a person other than a veterinarian, the exhibitor, upon request by Competition Management, must provide a receipt of the vaccine purchase which is signed by the owner, or agent with care, custody, and control of the horse; name, serial number and expiration date of the vaccine; and date of vaccine administration.

4. In the case of a horse that is unable to receive either of the vaccinations due to a history of adverse reactions, the exhibitor, upon request by Competition Management, must provide a letter from the veterinarian on official letterhead stating that the horse in question cannot be vaccinated due to medical concerns and a log of temperatures taken twice daily for the seven days prior to entering the competition grounds.

These horses must also have their temperature taken and logged twice

daily while on the competition grounds. The log of temperatures should be provided to the Competition Management, steward, or technical delegate when requested.

5. A current negative coggins test. Please renew before it expires, and not just before it is necessary to leave the state. It is strongly recommended that all horses be vaccinated for Equine EHV-1 (either modified live or killed vaccine) no sooner than 7 days prior and no later than 180 days prior to entering the show grounds. Most EHV-1 vaccines are only considered effective for 180 days. Check with your veterinarian about which vaccine you use.

6. Once the horse leaves the facility you may be required to show a new Statement Of Health upon your return to the facility. Current vaccination against WNV, EEE, WEE, Tetanus and Rabies is strongly recommended

7. You should be able to document your horses normal temperature before arrival. Please do not ship horses with elevated temperatures. It is recommended that you establish a log of temperatures taken at least twice daily. If there is an elevated temperature for more than a 24 hour period, please consult your local Veterinarian immediately.

8. Every effort should be made to minimize stress and commingling of horses shipped long distances. Extra hours on a horse van, or moving from stable to stable is the fastest way to compromise your horses' and your neighbors horses' health.

9. Any horse on the show grounds with a fever of unknown origin or of suspicious origin must be reported to ESP Management. It is always better to err on the side safety. Isolation stalls will either be available on the grounds or at a local veterinary practice if the need arises.

10. Please take the time to review equine good hygiene practices and impress its importance to your groom in everyday care.

ELIGIBILITY

Exhibitors are responsible for knowledge of the rules pertaining to eligibility and entry restrictions for these Special Classes. Any exhibitor who competes and is then determined to be in violation of eligibility will forfeit their placing, award, and prize money. No refund of entry fees will be made. National Standard will be used in cases where it applies.

MEMBERSHIP

Membership in any league is not required to compete in these classes. However, membership is required for points to count with the leagues. Please join before the class.

POST ENTRY

Once an order of go is established, a post entry will be required to go at the top of the order. Any entry in these special classes not received by the closing date of the show will be considered a post entry and the post entry fee listed will be charged.

REFUNDS

Any class that has a required number of entries that is not met, and is canceled will entitle all entry & nomination fees to be refunded. If exhibitor elects to compete in a 100% add back class in place of the special class the entry fees will be distributed to the winners at 40%, 30%, 20%, 10% to 1st to 4th place respectively. No refund after order of go is drawn. If after walking the course of any Grand Prix Class, a rider feels he must scratch he will be eligible for 50% of the entry fee only for that class.

SCRATCHES

Any class with more than one round may not be scratched for any reason after the first round has begun. If a special class is scratched the day before the class is scheduled a full refund will be given. There will be no refunds for classes scratched on the same day. Except in case of Grand Prix classes the above refund rule will apply.

PRIZE MONEY

Prize money will be credited to the entry's show account after the results of the class winnings are posted or a check will be mailed to the owner at the address on the entry blank within thirty days after the show, thereby ending the show's responsibility. Any class that has a number of entries required, will have the payout based on the number of on time entries and post entries will not be included in the number used to determine the payout. Classes that do not have enough entries to pay out prize money will either be canceled, or run without prize money at the exhibitors option.
