My Horse is Lame... Now What?

Editorial by: Marian G. Little, DVM,
Technical Services Veterinarian,
Luitpold Pharmaceuticals, Inc.

In the equine athlete, overuse is a significant cause of a variety of lameness problems. Over time, the wear and tear of daily use or “use trauma,” exerts abnormal forces on a horse’s joints and disrupts the natural cycle of “wear and repair.” Once the natural balance of a joint is disrupted, the joint is susceptible to non-infectious degenerative joint disease (DJD). Equine DJD (also commonly referred to as osteoarthritis, or OA) is specifically defined as “a group of disorders characterized by a common end-stage in which progressive deterioration of the articular cartilage is accompanied by changes in bone and soft tissues of the joint.”¹

In horses with DJD, changes occur within the joint that cause lameness which may become noticeable by an owner, rider, trainer, or veterinarian. A comprehensive veterinary physical and lameness exam is always recommended for an appropriate diagnosis of any cause of lameness. If a diagnosis of DJD is confirmed, your veterinarian may choose to treat your horse with one or more of four therapeutic categories of FDA approved products: PSGAG, Sodium Hyaluronate/ HA, Corticosteroids, and NSAIDs. FDA approved products within these categories of treatment are routinely used in the management of lameness associated with degenerative joint disease or osteoarthritis. (Note: FDA approved products are those products that are rigorously tested for safety and efficacy through required clinical studies.)

Therapeutic Categories for DJD

- **Polysulfated glycosaminoglycan (PSGAG)**
 - **DIMINISHES** the destructive processes of degenerative joint disease
 - **REVERSES** the processes which result in the loss of cartilage components
 - **IMPROVES** overall joint function and associated lameness
- **Sodium hyaluronate or Hyaluronic Acid (HA) products**
- **Corticosteroids**
- **Non-steroidal anti-inflammatory drugs (NSAIDs)**

Many other products marketed and sold are not supported by sound scientific research or manufactured under strict FDA guidelines. Please consult your veterinarian for further information on treatment of lameness associated with DJD, and ask which FDA approved products may be most appropriate for your horse.

FEI COMPETITORS - IMPORTANT INFORMATION

Exhibitors are responsible for having their Federations declare their horses for the FEI competition BEFORE the close of entries as listed in the FEI Draft Schedules each week. This Federation weekly declaration is the automatic nomination into the Jog. The athlete must manually withdraw any horse he/she does not plan to show before the jog order is posted to avoid paying the late withdrawal fee as indicated in the FEI Draft Schedule. Proper entries and withdrawals in the Jog before the posted order is the sole responsibility of the athlete.

The Horse Show Office will determine the entries for each and every FEI week in the Jog based solely off of the Definite Entries submitted on the FEI Entry System for that week. We will allow substitution made by Federations up until 1 hour prior to the Jog/Horse Inspection.

Class Declarations must be done in the Horse Show Office each week on an official Add/Scratch sheet. All class declarations must be made no later than 4:30PM the day before the class is held, unless otherwise noted. Declarations made after that time may be accepted by Management only and, if accepted, will result in that horse going first in the competition in question draw,

Please notify the Stable Office each week BEFORE the Jog/Horse Inspection/stabling time to secure your stall location. Stables are open to FEI horses on Tuesday 9:00AM. All horses must be in FEI stabling no later than Tuesday 12:30PM each week. All horses living in FEI stabling, whether showing or not, must obey ALL FEI Rules.

The Jog/Horse Inspection will take place on Tuesday at 1:00PM of each week in the FEI area. Any change to the FEI Jog/Horse Inspection will be posted in the FEI area and the Horse Show Office. Both horse and rider must be current FEI members in order to present at the Jog/Horse Inspection.

Credentials are required for entrance to the FEI Compound at all times. Credentials are signed out by the FEI Office in the FEI Compound. Five passes will be issued per horse: Rider (1), Trainer of record signing the entry blank (1), Groom (1), and Owner of record as listed in the passport (2).

FEI Draft Schedules can be found in its entirety on the FEI website: www.fei.org. Copies will also be available in the horse show office during the show.
