

# TRYON

INTERNATIONAL EQUESTRIAN CENTER

## *Volunteer Support Program*

Tryon International Equestrian Center has created one of the most significant equestrian lifestyle destinations in the world, while maintaining the rural character and rich heritage of this community. TIEC is the largest employer in Polk County, NC and has the largest core of volunteers, dedicated to providing outstanding service and having FUN! Help support the volunteers who make possible the extracurricular events that bring together community and equestrian sport.

Lend support at any of the three levels: **Silver, Gold, or Platinum** and choose 1 line item from that level. Provide a logo and we will brand your support with a high-visibility touch. Contact Kathryn McMahon, TIEC Director of Community Engagement to discuss additional Volunteer support opportunities, [kmcmahon@tryon.com](mailto:kmcmahon@tryon.com)
